MEMORANDUM FOR: Deputy Director of Central Intelligence
VIA: Chairman, National Intelligence Council
FROM: Herbert E. Meyer
Vice Chairman, National Intelligence Council
SUBJECT: ACDA Requests

1. I'd like your judgment on the attached memo.
2. I have a sense that ACDA has been peppering the Intelligence Community with requests for assessments and for declassification of intelligence material. Is there any guideline on how we should respond to these requests, or are we filling them one at a time? Is there any one channel at ACDA through which all such requests should come? Our people seem to be quite uncomfortable with whatever ACDA may be up to.
